## EDUCATION

**HCMC University of Technology - VNU HCM**

*Bachelor of Computer Science, GPA: 3.3/4.0 (7.78/10)*

Ho Chi Minh City, Vietnam

*Aug. 2023 – Present*

## TECHNICAL SKILLS

**Languages:** Python, C++, SQL, JavaScript, HTML, CSS

**Frameworks & Libraries:** React, Vite, Tailwind CSS, Streamlit, FastAPI

**Databases:** PostgreSQL, Microsoft SQL Server

**Software Development:** MVC architecture, CRUD operations, REST API development, database schema design

**Tools:** Git, Github, VS Code

## PROJECTS

**HireMatch** | *Python, React, Vite, Tailwind CSS, Typescript, PostgreSQL*

Jan. 2026

- **Role: Frontend Developer**

- Designed 6+ responsive UI components with *React* and *Tailwind CSS*, maintaining 100% design consistency across mobile and desktop.
- Integrated *REST APIs* for real-time data, collaborating smoothly with backend developers.
- Optimized frontend development using *Vite*.

**FoodNow** | *Python, Streamlit, MSSQL*

Dec. 2025

- **Role: Frontend Developer, Database Interaction**

- Architected a relational *MSSQL* database with (16+ tables), implementing complex EERD mapping to ensure 3rd Normal Form (3NF) compliance.
- Built a *Streamlit*-based dashboard managing 100+ mock transaction records with full CRUD functionality for restaurant managers.
- Applied *MVC architecture* for code organization and user interaction.

**TutorLink** | *React, Vite, Tailwind CSS, Typescript, Node.js, Express, SQLite*

Dec. 2025

- **Role: Frontend Developer, Mockup Design**

- Developed a matching algorithm that processes student demands against 3+ mentor criteria to provide the top 3 optimal pairings.
- Created 12+ high-fidelity mockups in the design phase before converting them into functional React components.
- Engineered a session management dashboard that tracks and displays real-time schedules for up to 50 concurrent users.

**Unihub** | *React, Vite, Tailwind CSS, MongoDB, Javascript*

Jun. 2025

- **Role: Frontend Developer, Contributor**

- Developed the resource-sharing interface, enabling students to upload and categorize academic files across 3+ major departments.
- Collaborated on system requirements and user interaction design.
- Proposed and implemented 2+ UX improvements (Loading State, Search Filtering) that streamlined resource discovery.

## CERTIFICATIONS

**IELTS** | *Overall Band Score: 6.5*

Jun. 2024

- Listening: 6.5, Reading: 7.5
- Writing: 6.0, Speaking: 5.5

**MOS Excel Certification** | *Microsoft Office Specialist*

Jan. 2025

**Outstanding Academic Performance** | *Semester 1 & 2, 2023 - 2024*

Mar. 2025

**OISP Scholarship** | *Semester 2, 2024 - 2025*

Mar. 2026
